Professional Development Days for Counsellors

Dear Colleagues

I enclose information about our next two Professional Development Days. As before, each day will run from 10.00am – 4.00pm and will be held in the Sevenoaks area.

We are now including a ***sandwich lunch*** as well as other refreshments during the day. Therefore, the cost for each day is now **£48.00**. Early booking (at least four weeks before the training date) reduces the cost to **£45.00**.

To reserve places on these CPD days please complete the form below and send it, with a cheque made payable to SCCS, to the address on the letterhead. If you need to withdraw for any reason your fee will be refunded providing we have enough notice and your place can be filled. Your booking fee will be acknowledged and full details sent to you a few weeks before the training day.

With good wishes

Jean Day

I wish to book the following training days
